Catawba (Dark Red)—Bunch large, berries medium. Best for wine.

Concord (Black)—Early. Decidedly the most popular grape in America and deservedly so. Bunch large, shouldered, compact; berries large, covered with a rich bloom; skin tender, but sufficiently firm to carry well to distant markets; flesh juicy, sweet, pulpy, tender; vine a strong grower, very hardy, healthy and productive. For general cultivation the most reliable and profitable.

Campbell's Early Black—Bunch and berry very large, glossy black with blue bloom; sweet and juicy.

Delaware (Red)—Bunches small, compact, shouldered; berries rather small, round; skin thin; flesh very juicy, sweet, spicy and delicious.

Moore's Early Black—Bunch large, berry large, round with heavy bloom; vine exceedingly hardy. Its earliness makes it desirable for an early market.

Niagara (White)—Occupies the same position among the white varieties as Concord among the black.

Worden (Black)—Bunch large, sometimes shouldered, compact; berries very large; skin thin.
